Sable Metal Sponsorship Offer Document

Sable Metal Fabrication is a proud sponsor and supporter of FRC Teams.

Sable Metal Fabrication will gladly offer our sheet metal fabrication capabilities and material, free of charge, in sponsorship of First Robotics Competition Teams.

What we offer

- Raw Material
- Laser Cutting
- Forming

Teams looking to be sponsored are encouraged to connect with us and send us the parts they are looking to have manufactured.

What we need

Send us the following:

- Sheet Metal Part file (.sldprt preferred but .step accepted) - **only** if the part requires forming
- Part Drawings
- DXFs - **only** if the part does not require any forming

For more information or any questions, feel free to contact us!
